

# Baptism, Confirmation and Reception at St. Brendan's

Most of us have a general idea as to what Baptism and Confirmation is, but what exactly is Reception? If you are already confirmed in another Christian denomination (such as Roman Catholic or Lutheran), you can be "received" into the Episcopal church. It's simply a formal commitment to the church and our parish.

When Bishop Ketlen visits St. Brendan's for her annual visit on April 6, she will be baptizing, confirming and receiving anyone who registers.
